My Florida 511 is a free service of the Florida Department of Transportation. Travelers can dial **511** to access current information for specific routes and roadway segments, including:

- anticipated travel delays
- traffic accidents
- roadway blockages and lane closures

When callers dial **511**, the service automatically connects to the most local **511** service available from the current location. However, you can transfer to other Florida area **511** services from any Florida location.

Through Florida **511**, callers will be able to receive information on all interstate roads across the state, including:

I-4, I-10, I-75, I-95, I-110, I-175,
 I-195, I-275, I-295, I-375, I-395, I-595,
 and Florida's Turnpike.

Callers can also transfer to a local **511** service for more detailed information and more road choices.

The My Florida **511** Website incorporates motion images from traffic cameras, e-mail alerts, public transportation information and customer feedback.
