

This is a detailed political map of Africa and surrounding regions, including parts of Europe, the Middle East, and Asia. The map uses an Azimuthal Equal-Area Projection with a scale of 1:51,400,000. It shows the following:

- Continents and Oceans:** Africa, Europe, Asia, North Atlantic Ocean, South Atlantic Ocean, Indian Ocean, Mediterranean Sea, Red Sea, Black Sea, Caspian Sea, Persian Gulf, Arabian Sea, Gulf of Aden, Gulf of Guinea, Mozambique Channel, and the Strait of Gibraltar.
- Major Cities:** Labeled with stars, including London, Paris, Rome, Athens, Ankara, Baghdad, Tehran, Riyadh, Addis Ababa, Nairobi, Kinshasa, Luanda, Windhoek, Gaborone, Pretoria, Maputo, Durban, Cape Town, Port Elizabeth, Johannesburg, Harare, Lusaka, Lilongwe, Mombasa, Dar es Salaam, Antananarivo, Port Louis, and many others.
- Countries:** Labeled in all caps, including Algeria, Libya, Egypt, Sudan, Ethiopia, Kenya, Tanzania, Angola, Namibia, Botswana, South Africa, Mozambique, Zimbabwe, Malawi, Zambia, Congo (Kinshasa), Gabon, Equatorial Guinea, Sierra Leone, Liberia, Ivory Coast, Ghana, Togo, Benin, Nigeria, Chad, Niger, Mali, Mauritania, Morocco, Tunisia, and others.
- Geographical Features:** The Tropic of Cancer and the Tropic of Capricorn are shown as dashed lines. The Equator is also marked. Various islands and archipelagos are labeled, such as the Azores, Madeira, Canary Islands, Cape Verde, and the Seychelles.
- Scale and Projection:** A scale bar at the bottom right indicates 0 to 800 Kilometers and 0 to 800 Miles. The text "Scale 1:51,400,000" and "Azimuthal Equal-Area Projection" are present.
- Boundary Representation:** A note at the bottom right states "Boundary representation is not necessarily authoritative."
