Secretary Bowen is aware of the additional requirements associated with any change to voting method of counties with Federal Preclearance status, of which Yuba County is one of four in California. As you indicated you are aware, the preclearance process with the Department of Justice can be onerous and must be addressed when considering any timelines for any change in any voting method in Yuba County, California.

Should you have any questions or need further information, please feel free to contact me at 530-749-7855.

Terry Hansen, Yuba County Clerk/Recorder
